

Workshop venue:

The CIBIO is located in Vairão Campus, close to Vila do Conde.

- ✓ See google map : <https://goo.gl/maps/8vi3zj9Ay1Ew2fcE8>
- ✓ Find [HERE](#) information about how to get to CIBIO

Accommodation:

We recommend that you reserve a hotel in Vila do Conde, which is close to CIBIO and has a direct metro connection to Porto city center. Vila do Conde is a small very nice town, near the sea and with a very charming center. We suggest Hotel Brazão that is offering some discount to CIBIO courses participants, and where most speakers will be staying, but there are other options at Vila do Conde. If possible, we advise you to pick something near the town center, where the hotel Brazão is located. Vairão Campus also have equipped double rooms for students, researchers, and visiting scientists (with bathroom, TV, telephone and internet access). You should be aware that if you stay in CIBIO you are very limited with transport and won't have many evening meals options. For more information contact CIBIO reception marcia@cibio.up.pt.

Transport:

From Vila do Conde to CIBIO (and back): take the Metro to Mindelo (7 min trip), where the CIBIO's shuttle will pick you up at 10:00 everyday (8min trip). Please take the metro to arrive before 10:00 at Mindelo. At the end of the day, after the round table, the shuttle will bring back the participants to Mindelo station.

From Vila do Conde to Porto: the metro line (B) offers a direct connection from Vila do Conde to Porto city center. It takes around 45 minutes to go down town.

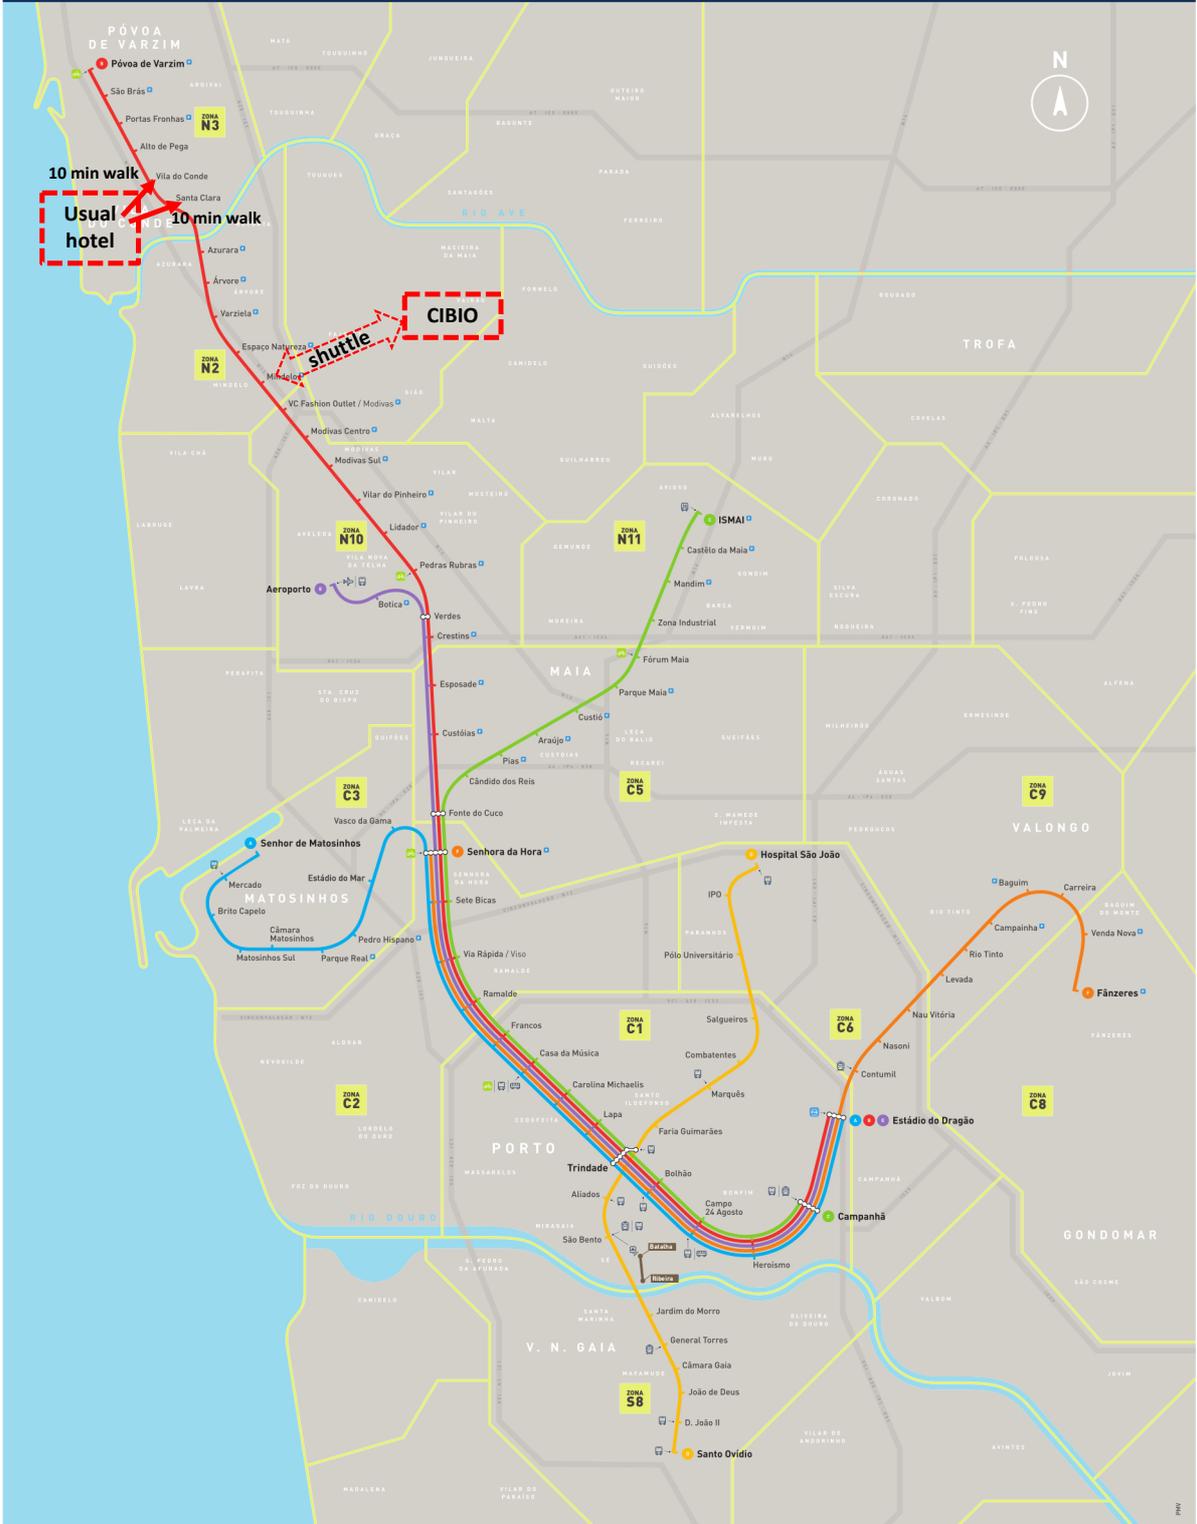

- ✓ Find timetables here: <https://en.metroporto.pt/>
- UBER might be an alternative, especially in the evening (price is around 20 euros).

Food:

We will book tables for speakers and participants in a small typical Portuguese restaurant close to CIBIO (7,5 euros / lunch). Vegetarian options are possible. Registration is required. There is also a small cafeteria (Teresa's Bar) at CIBIO offering salads, sandwiches and drinks and a dining room with microwaves in the Institute.
